Croatia is one of the most popular yachting destinations with many beautiful regions, historic towns, islands, and small villages.

Family tradition

Yacht Riva is owned by the Vuković family and built by a highly skilled team of craftsmen, employing time-honored techniques using only the finest materials.

All crew members on Riva are highly qualified, with years of nautical and hospitality experience. The owner Marin has many years of managerial experience, captain Dino comes with several years of experience sailing on mini cruisers, and the chef has previously worked on mega yachts.

Their knowledge of local traditions and stories, combined with their friendly personality make them the perfect choice to explore Dalmatia. The crew of 11 will tend to all your needs and wishes at all times.

The Exterior

All decks are covered with Burmese teak, giving the yacht a touch of luxury. Across the sundeck, there are 30 teak deckchairs, a jacuzzi, and a gym. All decks and staircases feature led lighting and are equipped with Bose speakers.

The whole yacht is under video surveillance, ensuring maximum safety for everyone. Also, Wi-Fi is strong throughout the yacht in case you don't wish to disconnect completely during your cruise.

The Interior

The cabins are spacious and inviting. The bathrooms with Marazzi ceramic tiles and Grohe fixtures will give you a feeling that you are in a luxury hotel suite instead of a yacht. Equipped with the latest technology and one of the best thermal and sound insulation systems, she ensures a comfortable voyage for up to 38 guests in 18 beautiful cabins with en-suite bathrooms. Ample space for all cherished companions.
